## Verse 1:

```
      | D         A            | G              D       |
Did I   see you down in a      young girl's town
            D                        A
With your mother in so much pain?
     | G         A              | Bm          E       |
I was almost there at the      top of the stairs
          D                        D
With her screamin' in the rain
```

## Chorus:

```
          | D           A        | G         D       |
Did she   wake you up to      tell you that
        D                    A
It was only a change of plan?
       | G             A            | Bm       E      |
Dream up, dream up, let me     fill your cup
          D                      D
With the promise of a man
```

## Verse 2:

```
     | D         A            | G          D          |
Did I   see you walking        with the boys?
          D                    A
Though it was not hand in hand
         | G             A           | Bm     E       |
And was some black face in a       lonely place
        D                            D
When you could understand?
```

## Repeat Chorus

**Verse 3:**

```
    | D          A                    | G     D     |
Will I  see you give more than     I can take?
      D                A
Will I only harvest some?
      | G          A                  | Bm      E       |
As the days fly past, will we    lose our grasp?
   D                      D
Or fuse it in the sun?
```

**Repeat Chorus**
