```
      E                          E
I was thinking about parking the other night
G//       A//      E            E
  We was out on a back road
E                          E
Me and my woman was just getting' right
    G//         A//   E     E
All systems on over - load
```

Verse 2

```
E                      E
Radio blasting in the front seat
G//               A//   E     E
Turning out the music fine
E                          E
We was snuggled up in the back seat
G//              A//  E    E
Making up for lost   time
```

Chorus

```
E                  E7#9  D//         A//  E
Steamy windows           zero   visi – bili - ty
E                  E7#9  D//               A//  E
Steamy windows           coming from the body heat
```

Verse 3

```
         E                          E
You can wine and dine with a woman all night
G//  A//   E      E
With good intent
             E                              E
But there's something about a confron - tation on the back road
G//     A//        E        E
Breaks down the defense
```
